Handwriting Challenge

This week have a go at perfecting your capital letters:

B D H K L T

1. Use each page to practise your letter formation skills and this will also help with your fine motor skills.
2. Get an adult to read the words and questions to you and see what you can answer with their help.
3. Then on your own copy out 20 of each **letter** very neatly and carefully.
4. On the second line copy at least 5 words from each page. Make sure they fit on the line correctly as we have taught you in school. Each of these vowel letters **MUST** sit and touch the line!

Good luck. I hope you enjoy doing this from Mr Thackray

Reading

Try to log in to <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

There are loads of free books to look at and enjoy talking about.

Get your parents to help read them to you

Talk about what you see and try to read some of the easier books for yourself

Email your teachers and tell them what you've read and why you liked the books.

Have fun, hope you enjoy this work for you to do at home this week.
