LITERACY CHALLENGES!

Read the story about THE THREE LITTLE PIGS

Once upon a time there were three little pigs, who were brothers and lived with their mother. One day, mother pig told the little pigs that it was time for each of them to make their own strong home. But before they left she warned them about the big bad wolf. 2

The first little pig wanted his house to be done quickly, so he built his house out of straw or hay. His brothers said it was not strong enough, but he did not listen. "That's okay, I want to be done fast. It will be fine.", said the first pig. 3

The first pig finished his house and was resting inside when he heard a knock at the door. He said, "Who is it?" The wolf said, "Little pig, little pig...let me in." The little pig said, "Not by the hair on my chinny chin chin!" 4

The big bad wolf said, "Then I'll huff and I'll puff and I'll blow your house in!". Then he did! The house fell to the ground and the little pig ran to his second brother's house. 5

The second little pig wanted his house to be done fast, but he wanted it stronger than the first pig's house, so he built his house out of twigs. His brother said it was not strong enough, but he did not listen. "That's okay, I want to be done quick. It will be good," said the second little pig.

The second pig finished his house and was resting inside when he heard a knock at the door. He said, "Who is it?" The wolf said, "Little pig, little pig...let me in." The little pig said, "Not by the hair on my chinny chin chin!"

The big bad wolf said, "Then I'll huff and I'll puff and I'll blow your house in!". Then he did! The house fell to the ground and the two little pigs ran to their older brother's house.

8

The third little pig wanted his house to be done right and to be strong, so he built his house out of bricks. His house took the longest to build.

9

The third pig finished his house and was resting inside when he heard a knock at the door. He said, "Who is it?" The wolf said, "Little pig, little pig...let me in." The little pig said, "Not by the hair on my chinny chin chin!"

Meanwhile, the two brother pigs ran in the back door of the third pig's house to hide from the big bad wolf

11

The big bad wolf said, "Then I'll huff and I'll puff and I'll blow your house in!". The he tried and tried! The house did not move. He kept blowing and blowing, but the house stayed strong.

12

The wolf said he was going to eat the pigs and he started to climb on top of the pig's brick house.

13

The three little pigs worked together to put a pot of boiling water on the fire at the bottom of the chimney.

14

The wolf started to climb down the chimney and when he did, he landed in the pot of hot water.
